Horsemanship: healthcare, nutrition, stable management, handling and riding a mount safely, correctly and with confidence.

Organized teamwork: cooperation, communication, responsibility, leadership, mentoring, teaching and fostering a supportive yet competitive environment.

Respect for the horse and self through horsemanship; for environment through public awareness; and for others.

Service by providing an opportunity for members, parents, and others to support the program locally, regionally and nationally through volunteerism.

Education at an individual pace to achieve personal goals and expand knowledge through teaching others.
